

Dreaming of a loft office Downtown?

The time has never been better.

Heart of Downtown

Have your own dream of being downtown and growing your business? This space has great visibility and has been completely renovated.

High Speed Lines

US Cable DSL lines are the fastest available in our community.

Outdoor signage

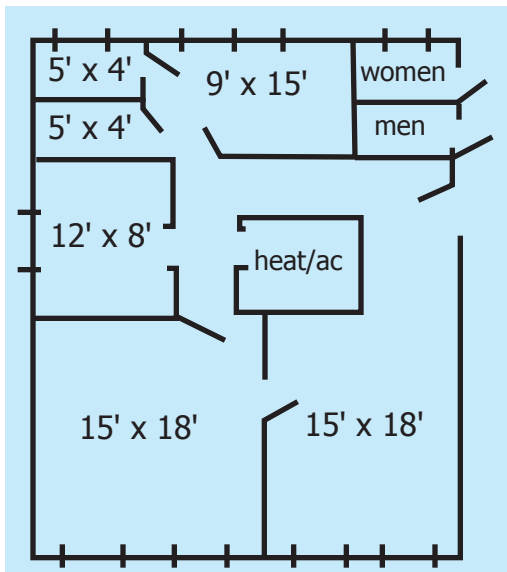

For greater visibility, you can have signs on the building and on both office doors.

Contemporary Look

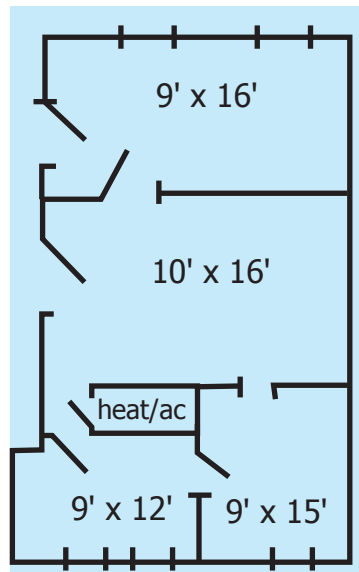

All offices have been completely renovated in a clean art deco style.

Make Your Move

Call today for a tour and imagine the possibilities for your new office. Contact Sally Poole at 573-795-6987

North Office (under construction)
Larger of the two spaces with ample natural light and built-in bookcases in each office. Space has individual heat and air conditioning. Can be finished to suit your individual needs. Building wired for cable DSL - the fastest available.

South Office

A great space with conference room and separate offices. Separate heat and air conditioning. Great natural light and new carpet in this newly renovated space.
